Sportsmen Yacht Club

Commodore Robert Babo

Ahoy Fellow Sportsmen!

I would like to start off by saying *Thank You to our Sportsmen*. The 4S games were a huge success! The number of members who jumped in and helped was Awesome! Denice and I along with Cynthia Perez started working on 4S in December 2017, as there were so many details to figure out. I believe that helped make this a smooth event. Seven months of planning crammed into four days—what a blur!

With the first Work Party in January, our Flag Officers and Directors were a very cohesive group, with a vision of 4S, and were ready to get the Ferry and her grounds looking great. Along side were many members coming down to take pride in Our Club. Clean up was

at the top of the list, along with the new guest dock which was one of our big items. We were able to squeeze in the sewer covers along with grading, poured concrete and grade around the fire pit and RV area, grade the entire Dry Storage Area. Oh, and a few of us found some time to build a Bocce Court - LOL! Meanwhile our Harbor Captain Bill Moore took apart the old dock

and salvaged what he could and then built these two foot wide docks that he tied up to Area 2 docks, so our guests had a safe dock to tie-up to and also walk on as they departed their vessels. Just a note, most of these vessels were 42' to 52' all down in Areas 2 and 3—*Amazing job, Bill.*

As for the actual event, we could not have asked for

We did it! The Sportsmen have pulled off a very successful 4S. With the help from so many, great reviews were heard around the Club. Some say the Club has never looked better, the hospitality to others was at its peak, competition was fun, and meals were well prepared.

I'd like to thank our Commodore Robert and

his wife Denice Babo for a well thought-out plan and thank all the members who helped execute the plan. We have been planning and preparing for months, so when the clubs started arriving, there was never a moment we didn't have enough help. The camaraderie I saw throughout the Club and helping each other whether it was cooking, bartending, selling drink tickets,

registration, decorating, setting up for games, or clean up, we had each other's back. This is what it's all about folks!

Congratulations to Sacramento YC for winning gold. They have proven year after year to be hard to beat. Congratulations to all of our competitors who placed and played. We, as Sportsmen, have nothing to

anything smoother, starting with Thursday Night Taco Bar through the Saturday Night Dinner. All the teams that took on the challenge of preparing meals did an excellent job, with praises from our guests on every meal! There are just too many people to thank as we had members helping with everything and anything.

On to the games and our Gaming Commissioner Don Wilson. What can I say? With all the prior planning and meetings, along with the constant communications of the rules helped with any protest. I would like to say there were none; it was stress free and many people said this was the "Friendliest" 4S games they had been a part of in years.

I need to acknowledge that in the last seven months, there were two men who stood by me on any weekend or any night after work. Whenever I needed help, they were there. *Thank You Bobby Brown & Matt Tate*—Commodores till the end! That's not to count out Mike Minick, Bob Buckley, Dale Bauer, Jason Turpin, Roy Gardner, Roger Lund and so many others who have made this an amazing year.

But there is one thing that was not a blur and that would be my wife, Denise Babo. Without her planning, dedication, decorations, flowers, planning meals, attention to details, special little gifts of appreciation, along with designing our 4S logo, *I (we) can't thank her enough! I love You & Thank You!*

Now it's 4US!

Rear Commodore Neal Draper

As I sat down to write my August newsletter article, I could not help reflecting on what I feel were the four most enjoyable days I have spent at Sportsmen YC. The 4S Games! If you did not participate you missed a fantastic fun-filled four days.

As I was having breakfast Sunday morning, a member from one of the other yacht clubs told me this was the best 4S event he has been to and he had been to 25 events. Enough said!

A lot of the success we had putting on this event is credited to our Commodore and his wife, Robert and Denice Babo. I cannot thank them enough for all the hard work they put in to make the 4S Games a success. Trying to keep track of where Bobby Brown was at any given moment was such a challenge; we had to hang a radio on him! He was a blur most of the time. A huge thank you goes to Bobby and Angel Brown for everything they did to make this event great.

I would probably take some heat if I didn't thank my wife, Elena Draper. If she wasn't selling in the Ships Store, she was in the Galley helping out. *Thanks, Babe!*

Also a huge thank you goes out to Don Wilson, our Games Chairman. Even though we did not win back the trophy, we put up a heck of a fight. I know after the Saturday morning

games, Sacramento was seriously worried about losing the trophy.

Another huge thank you has to go to Mike Minick and Rich Furlow for running the bar, and all the members who volunteered their time to tend one of the three bars during the event. We sold over 5,000 drink tickets for the four days.

Our Harbor Captain, Bill Moore, managed to shoe-horn in all the visiting boats without any incidents, including some in the 58' to 64' range. *Well done, Bill!*

I could go on and on naming members who helped. So, to the many, many members who prepared and cooked meals, cleaned up, helped decorate the Ferry and grounds, participated in and judged the games, and often jumped in to help without being asked, *Well Done and Thank You!*

An incredible amount of work took place this entire year to get the Club looking better than it has ever looked. We received so many compliments from members and guests alike on how good the Club looks. If you are one of the many members who spent countless hours getting the Club ready, *Well Done and Thank You!* But, if you are one of the many members who forgot this is a working yacht club and just sit at the bar and drink, please see if you can work it into your schedule to help keep the Club looking great. I know a lot of the older members or folks with medical problems can no longer keep up with us younger guys, so I'm not talking to you. I'm talking to the folks who are a couple of days younger than me who can at least come down to the once-a-month Saturday Work Parties and help, whatever your ability or skills. Enough said!

See you around the Club!

complain about. Most games were won by a very slim margin. Although I really thought this was the year we would pull it off, I was disappointed and very proud. Proud to be representing Sportsmen. We put up a great fight, had a wonderful time, met some new friends and caught up with ol' friends.

I cannot say thank you enough to all who helped pull this off. You know who you are. There are too many to list and that is a good thing! There are pictures posted on the Sportsmen Facebook page and our Website will have photos also. San Joaquin will be hosting next year and, if we stick together as we did this year, I believe we can win. Thank you everybody, and I'll see you all soon!

Thank You, Sportsmen, for a great 4S!
